VIPER BAG

LONG-RANGE SPLIT SHOOTING BAG

PRODUCT DESCRIPTION:

Introducing the new VIPER BAG, a long-range split shooting from CROSSTAC. The VIPER BAG provides unmatched versatility, and durability in a lightweight design. Configurable for nearly every environment, the VIPER BAG can help shooters overcome just about every shooting obstacle.

The VIPER BAG is made for mobility as it's packed with incredibly lightweight fill so that when you're on the move, your bag isn't holding you back. Unlike other bags, the VIPER BAG is made of ultra-durable MilSpec fabric and stitching so you don't have to worry about your bag falling apart. Users can select bags in any number of colors to match their shooting environments from Coyote Brown to Olive Drab to Multicam to Multicam-Arid.
