

Specifically Designed For Asian Faces

The **ESS Asian-Fit Striker™** is a high-performance goggle system designed to contour Asian faces. The flatter lens curve and soft-yet-durable molded face foam provide increased comfort and a tight, sealed fit for hours of extended use. This goggle has exceptional fog resistance and can be worn over most prescription eyeglasses. Includes two Asian-Fit high-impact lenses (Clear & Smoke Gray), a protective soft case and an anti-reflective **SpeedSleeve™**.

Lenses

- Newly designed Asian-Fit Lenses: Flatter lens curve
- Clear & Smoke Gray 2.4mm polycarbonate high-impact Asian-Fit lenses are included
- Lenses feature ESS's advanced **ClearZone FC™** anti-fog and anti-scratch lens coatings
- Lenses are highly impact resistant & exceed the U.S. Military's .22 caliber ballistic impact test MIL-V-4351 IC
- All lenses provide 100% UVA/UVB protection & precise optical clarity for distortion-free vision
- **ESS Modular Technology™** allows all lenses to be quickly & inexpensively interchanged

Strap System

- 40mm-wide, high-memory elastic strap system features quick-adjust slides

Frame

- New frame designs features molded Asian-Fit face foam with soft face padding for superior comfort, absorption & a sealed fit
- Designed for maximum resistance to the elements
- Full-perimeter ventilation & filtration system allows humidity to escape while filtering out airborne particles, dust & splashes
- Includes an **ESS SpeedSleeve™**, which eliminates lens glint & keeps the goggle & lenses clean & scratch-free
- Fits comfortably over most prescription eyewear

Rx Insert

- Prescription lenses can be fit by any optometrist into the **Striker™ Rx Insert**, which installs inside the goggle frame
- The **Striker™ Rx Insert** is compatible with all **Striker Series™** goggles

Full compliance with the following standards & regulations:
