Pouches

Navigator Tech Pouch

This compact admin pouch is designed to hold and provide easy access to most smart phones, with or without protective cases, for use with navigational apps. When opened, the lower flap is suspended at a 90-degree angle for quick viewing. The phone harness is adjustable and detachable, enabling the user to separate their phone from the pouch without removing the harness. The Navigator also features a storage compartment and two loops for compact battery packs, notebooks, pens, cable management and more.

- Enables hands-free viewing of a smart phone or similar device
- Adjustable phone harness fits most smart phones, including large, “plus”-style devices in rugged cases (fits devices/cases as large as 7” x 3.5” x 0.75”)
- Internal pocket accommodates a compact power-bank battery, notebook or other admin items
- Features loops for pens or charging cable management
- Toggle closure allows silent opening and snap for extra closure security when needed
- External flap features hook and loop fastener with silencer patch to secure flap when pouch is open
- Includes exterior loop fastener panel for identification or morale patches
- Constructed with durable, heavy-duty nylon laminate
