DECIMUS

1559

a RICK HINDERER design

Based on Rick Hinderer's Maximus, the new Kershaw Decimus offers a heroic look—and makes for a very distinctive EDC. The blade is a single-edge bayonet grind with BlackWash™ finish. The blade opens with SpeedSafe® and a flipper. The flipper is mirrored by a symmetrical protrusion on the back side of the knife, providing a short crossguard to keep fingers safe.
