HOW TO MEASURE FOR GLOVES

Circumference

Length

Measure around flat hand at the knuckles - don't include thumb. Then measure your hand length from the base of your palm to the end of middle finger. Use larger of the two measurements for your glove size.

	M/L (INCHES)	L/XL (INCHES)
CIRCUM	8 - 8.5	9 - 9.5
LENGTH	8.5 - 9	9 - 9.5
