

THE AR15 TOOL™

THE SMARTEST, MOST CAPABLE MULTI-TOOL FOR THE WORLD'S MOST POPULAR PLATFORM.

This beefy, folding X-frame tool is built specifically for the needs of AR15 owners who want to keep their gun in the fight. It starts with textured iron tough G-10 side-plates for an extra-sure grip. The frame itself is fully loaded with a focused set of highly capable AR platform tools. It equips users to quickly remove carbon from all 12 critical surfaces of the bolt carrier group, make repairs in the field or on the bench, reduce malfunctions, add or remove accessories, make sight adjustments, and easily disassemble and reassemble their guns. This is the ultimate multi-tool for the AR15!
