

## ATA Double Bow Case

2SKB-4114A

The 2SKB-4114A Parallel Limb Bow Case is airline approved made to ATA 300 Category I specifications which is the highest shipping container specification of the ATA. This case is designed to transport two Parallel Limb Bows, or a Parallel Limb Bow and rifle.

The case is molded from ultra-high molecular weight polyethylene, the material specified by the U.S. military for cases and containers. The 2SKB-4114A Parallel Limb Bow Case feature heavy-duty field replaceable locking latches, a spring-loaded end handle for comfortable towing and protection from damage, molded-in bumper protection to maximize impact resistance and quiet glide heavy duty wheels for easy transport. Secure "tie-down" brackets for ATV transport are an added feature and stylish embossing that actually adds structural support to the lid. The 2SKB-4114A Parallel Limb Bow Case is backed by an Unconditional Lifetime Warranty on the case.
