

DEFENDER-XL™

MICRO RED DOT

ELEVATOR PITCH:

While the adrenaline rush of shooting competitively brings us all together, you deserve an optic that sets you apart, and the Defender-XL™ will help you take the next step up the podium. Featuring a huge viewing window, combined with edge-to-edge clarity, it provides a truer sight picture, which lets you transition quickly between targets. Protected by our exclusive ShockShield™ technology, this red dot can stand up to every bump and bruise a stage throws your way. Mount up and stand out with the Defender-XL™.

WHY DID WE MAKE THIS RED DOT?

To provide a feature rich, versatile red dot designed for competitive and recreational shooters.

WHAT ARE THE TOP USES FOR THESE PRODUCTS?

The top use is competition shooting.
