IT TAKES A SPARC TO START A FIRE.

Ready to handle any environment, the SPARC[®] AR features bomb-proof-like construction with a compact and lightweight form-factor. The 2 MOA dot is as easy as point and shoot—it's quick to acquire in close-quarters scenarios, but fine enough to promote pin-point accuracy at extended ranges. A unique, integrated base is hassle-free for any AR or similar platform. For excellent, reliable performance and loads of user-friendly features, look no further than the SPARC[®] AR.
