- ▶ TYPE 2 LOW-GLARE MATTE BLACK ANODIZED
- ▶ LASER ENGRAVED TORQUE SPECIFICATIONS
- ▶ 6061 ALUMINUM
- ▶ PICATINNY RAIL COMPATIBLE

### WHAT'S IN THE BOX:

- Sport Cantilever Mount
- 2 Additional Torx® T-25 Screws
- Torx® T-25 Wrench

## POWERFUL HOLD. REPEATABLE ACCURACY.

The range is calling, and this mount is your answer. The 2" offset gets your head position and eye relief dialed, while leaving plenty of real estate on your rail. Lightweight, but with the power to stand up to recoil and the rigors of range day, these mounts get you shooting faster and easier, with performance you can believe in.
